MUFG Union Bank Foundation Makes Multi-year Grants to 57 Nonprofit Organizations to Support Home Ownership in California, New York and Washington State

LOS ANGELES, August 22, 2017 – MUFG Union Bank, N.A., today announced it has <u>awarded</u> \$3.345 million in multi-year funding to 57 nonprofit organizations that focus on expanding access to affordable housing for multi-cultural, low and moderate income communities. The organizations that were selected will each receive an estimated \$20,000 over three years (2017- 2019) contingent upon projected and actual annual performance.

Grants were allocated based on the following criteria:

- Conserving or expanding affordable housing
- Emergency assistance
- Innovation and regional solutions
- Integration of energy efficiency and environmental sustainability components

"Affordable housing is one of the most important issues facing the communities we serve," said Julius Robinson, the bank's Head of <u>Corporate Social Responsibility</u>. "Multi-year operating support allows our partner organizations to focus more time engaging in problem solving and less time worrying about fund raising. We hope our actions will inspire others to join us in making multi-year investments that will address the housing affordability crisis in this country."

"Housing is an urgent and complex problem requiring innovative solutions. Stable, flexible funding can be a catalyst for exploring and developing new approaches to better serve individuals and families who are facing hardship or are unable to keep-up with rising housing costs," said Kathy Patoff, MUFG Union Bank Director and Chief Operating Officer of the MUFG Union Bank Foundation.

The Foundation established the Expanding Housing Opportunities Program (EHOP) in the spring of 2017. The funding is targeted towards organizations that are supporting home ownership in California, New York and Washington State.

"We are very pleased to have such generous and consistent support from the MUFG Union Bank Foundation. This truly shows a commitment to supporting the non-profit sector in a stable way, and advancing affordable housing opportunities for those who need them the most," said Gloria Bruce, Executive Director, East Bay Housing Organizations.

For fiscal year 2016 (April 1, 2016 to March 31, 2017), the MUFG Union Bank Foundation continued its efforts to address a range of affordable housing issues and through its support served as a catalyst to help achieve the following outcomes:

- Supported the development of 6,681 housing units available for purchase and rental
- 766 individuals were able to purchase affordable housing
- 70,155 individuals achieved housing stability through rental housing programs
- Helped provide 132,410 bed-nights at shelters for the homeless
