

# Map of the Day

The Asia-Pacific Economic Cooperation (APEC) includes 21 economies representing nearly 40% of the global population, 50% of global trade, and more than 60% of US exports. The US is hosting the APEC Leaders' Summit for the first time since 2011, with meetings taking place in San Francisco from November 11 - 17. On Wednesday, November 15, US President Joe Biden and China's President Xi Jinping will meet for only the second time since President Biden took office and the first time since their meeting at the G20 summit in November of 2022.
